

THE FUTURE IS NOW PREMIUM EDITION

In collaboration with Uncle Howie Records – Get on Down presents the 360-degree story of Non Phixion’s 2002 debut *The Future is Now*. Extensive input from all group members is encapsulated in a premium, 80-page, hard-cover liner notes book, with dozens of photos and images.

Inside the deluxe 7 ¾ x 8 ½ x 2 ¾ inch collectable box you’ll find:

- A double CD containing the original vocal and instrumental versions of the album.
- Three 7-inch singles: “Black Helicopters,” “Drug Music,” and “Rock Stars” all in full color jackets that are reproductions of the original 12-inch artwork.
- An 80-page, hard-cover book featuring extensive liner notes, dozens of group-sourced photos and archival images, and brand new in-depth interviews with all group members by author Chris Faraone.
- A full reproduction of the group’s press-only sampler cassette from 2000 “The Past, The Present and the Future Is Now” which includes early singles, demos, freestyles and promos.
- Expanded artwork from Mear One’s original album visuals.
