**New York artist AWAR and Producer Vanderslice showcase their sharp sound & chemistry for their new album The Winning Team, the first full length effort from the emcee/producer combo. With previous projects AWAR- The Laws Of Nature and Vanderslice- Everything's Awesome respective albums receiving acclaim, The Winning Team's individual members are established heavyweight artists in their own right, collaborating with an all-star lineup of artists and producers throughout their catalogue.**

**Engrained with strong features from Freddie Gibbs, Roc Marciano, Troy Ave, BJ the Chicago Kid, Latoiya Williams, King Los, Has-Lo and more, with production from Vanderslice, along with production partner Green Steez and guest producers Jaisu and Trox, The Winning Team packs a punch, taking you on an narcotic audio journey of an underdog team becoming world champions.**

## Key Selling Points

AWAR & Vanderslice's emcee/producer album collaboration with chemistry in the same vein as Gang Starr, Pete Rock and CL, Freddie Gibbs & Madlib. A cohesive theme and a polished sound makes this one of the years must purchase albums for hip-hop fans.

AWAR's 2012 release The Laws Of Nature featured an all-star lineup of producers and artists, receiving attention as one of the best independent releases of the year

The Winning Team album features some of the hottest artists in the hip-hop market including Freddie Gibbs, Roc Marciano, Troy Ave, BJ The Chicago Kid, King Los, Has-Lo and more

Vanderslice project "Everything's Awesome" released in May to coincide, including a new song from AWAR & Evidence

Strategic Rollout Plan with PR in place, Radio Appearances oand 5 different already shot videos to be serviced

!

AWAR & Vanderslice received coverage from outlets such as XXL, Vibe, 2dopeboyz, Nahright, HipHopDX, HotNewHipHop.com & more
