OVERVIEW:

"We aren't here to preach hate or to pedal hope. We can't tell you how to live your life, or what's right and wrong. The one thing we know is Que Sera - What Will Be Will Be." These are the opening words Que Sera begins every show with and the driving force behind their debut album, NOMAD.

Providence, Rhode Island's own Que Sera have announced they have signed to CI Records for the release of their debut full-length record NOMAD this September!

The band has been making a splash in the North Eastern music scene throughout the year, appearing on select dates of this year's Vans' Warped Tour. "Signing with CI Records immediately felt like the right decision. Their enthusiasm and professionalism are exactly what we were looking for in a label. We're confident that we're in the right hands, and we're honored to be a part of CI's family. We deeply appreciate the support from our fans so far, and we can't wait for you guys to hear NOMAD this fall!"
