After hearing these two brilliant comics, Howard Stern said, "Bird & MacDonald, The Dukes of Disgusting, are almost as funny as me". They are known as two of the most hilarious and creative comedians in the history of musical comedy. Their crazy songs have been heard by fans world-wide. Their infamous song, "The Candy Rapper", garnered the largest radio station fines by the FCC ever recorded at that time. Their "Get Drunk and Be Somebody", DAMN (Drunks Against Mad Mothers) T-shirts and their ever popular Dick Head hats, are sought by collectors around the world.

They were the forerunners of today's musical comedy acts such as The Lonely Island, Tenacious D, The Blood Hound Gang and LMFAO. You can now enjoy their raucous best on the "Sick and Revolting College Daze" double CD set.
