AVAILABLE FOR RECORD STORE DAY

We thought these songs got the death penalty years ago, but Intrudermaniacs really love this early stuff and have been circulating this EP like it was contraband in the prison yard.

These were the first songs ever properly tracked by Masked Intruder and we're happy to share the loot with the rest of the world!

KEY SELLING POINTS:

- Their 2014 LP On Fat Wreck Chords charted on Billboard!
- Massive vinyl following. Pop-punk nerds are gonna gobble this thing up.
