Backwoodz Studioz is proud to announce the release of **billy woods'** new album, *Today, I Wrote Nothing*. This is the first new billy woods solo work since his critically-acclaimed 2013 collaboration with Blockhead (Ninja Tune, Definitive Jux), *Dour Candy*. That project was itself a follow-up to woods' 2012 masterpiece, *History Will Absolve Me*, cementing billy woods as one of the most vital artists in the genre. The new album features production from Messiah Musik, Busdriver & Aesop Rock, Blockhead, Willie Green, Junclassic and Steel Tipped Dove. *Today, I Wrote Nothing* also features several guest appearances by labelmates, Elucid, woods' longtime partner in the rap group **Armand Hammer**, and Henry Canyons. Only 500 copies are being pressed in this run of limited edition clear vinyl in a gatefold jacket.

KEY SELLING POINTS

- The album features production from well known artists Blockhead, Steel Tipped Dove, Aesop Rock, Busdriver and Willie Green.
- Artwork features images by acclaimed hip-hop photographer Alexander Richter
- Custom clear vinyl in a gatefold jacket
- Billy Woods' *History Will Absolve Me* album essentially went out of print within one year, as did the *Dour Candy* vinyl
- Guest appearances by Armand Hammer's Elucid will appeal to fans of the group and the solo artists
- Artwork unique to vinyl release

MARKETING

- Three music videos will be released in conjunction with *Today, I Wrote Nothing*.
- Billy Woods is on tour this summer promoting the release of the album.
- Already making lists for Best Album of 2015.
