Direct Hit! is one of the most manic and unpredictable bands of this generation. Before their Red Scare opus, *Brainless God*, the boys did a bunch of split releases with all sorta riff raff from the punk scene. You don't wanna think about the kind of bands that DH! hangs out with anyhow; it's like a scene from a movie where The Gremlins walk into Mos Eisley's Cantina. Yikes!

Well, many of these songs are fan favorites but are hard to find, so we corralled the band and got them to re-record and compile these unruly jams on one record. And here we are, 11 old/new blasphemous punk blasts from Milwaukee's sketchiest dudes. Amen!

KEY SELLING POINTS:

- Direct Hit! tours relentlessly and won't be stopping anytime soon.
- DH! are one of Red Scare's strongest sellers these past couple years.
- We'll be doing PR, taking out ads, and giving it the full Red Scare push!
