The Road To Milestone

Motion Sickness

OVERVIEW:

Since the band's release of *Lights On The Surface* in May of 2013, The Road To Milestone has been hard at work preparing their sophomore release on CI Records. Between non-stop writing and relentless touring, the band is finally ready to show the world what they've been working on.

TRTM has no fear expressing to the audience their love of a diverse range of musical styles; eloquently and seamlessly combining powerful scream and heavy guitars with catchy dance parts and pop singing, TRTM are truly masters of their craft. From a killer live performance to their sonically perfect album, this is the band to get behind.

POINTS OF INTEREST:

- Appearances on festivals such as Milwaukee Summer Fest, LAUNCH Music Conference,
- As seen supporting w/ August Burns Red, Every Time I Die, Defeater, Texas In July, letlive., Code Orange Kids + Many More
