A lot has happened to our bearded-British-wizard-friend since we first plucked him from the farmland of Suffolk, England in 2013. He toured the U.S. as part of the Red Scare Across America tour and has played shows with Brendan Kelly, Frank Turner, Tim Barry, Lucero, etc. Sam Russo has been building a name for himself not only in the UK and Europe, but also with fans of Roots/Americana over here in the States. On "Greyhound Dreams" Sam has added guest musicians and instrumentation to make this second album his true masterwork. We have high expectations for this cheeky bard and he most definitely delivers with these 10 new, dynamic songs.

KEY SELLING POINTS:

- His first LP and EP are still strong sellers for us, we expect this to do even better!
- Sam tours hard and plans to be back in the UK/Europe/USA.
- We'll be doing press, taking out ads, and giving it the full Red Scare push!
- We believe Sam is a wizard; and wizards are BIG right now.
