Do your part now, grab a copy of Thrills & Chills and support this great band that is doing a fantastic job of keeping the spirit of rock and roll alive and well."

Beverly Paterson, SomethingElseReviews

"Thrills & Chills is the rock 'n' roll classic I knew The New Trocaderos had in 'em. Listen to it once, and you'll never want to stop. Album of the decade!"

Lord Rutledge, FasterAndLouder

"The New Trocaderos present good old-fashioned rock and roll done flawlessly."

Jeffrey Raskin, Pop That Goes Crunch

The New Trocaderos have earned TWO Coolest Songs in the World from Steven Van Zandt (The E Street Band) on his international Sirius XM radio station, Little Steven's Underground Garage, and its members, collectively, have earned an astounding FIFTEEN Coolest Song Awards, more than any other band.

Thrills & Chills comes in a glossy, special deluxe 4-panel wallet containing 12 brand new, original, hook and harmony-laden rock 'n' roll songs.

For fans of Rockpile, Dave Edmunds, The Rolling Stones, The Beatles, The Kinks, The Ramones, Nick Lowe, and The Beach Boys.

Thrills & Chills is what Rockpile's second album might have sounded like if Keith Richards guested on it.

The New Trocaderos are Kurt Baker (The Kurt Baker Band, The Leftovers), Brad Marino (The Connection), Geoff Palmer (The Connection, The Guts), Kris "Fingers" Rodgers (Kris Rodgers & The Dirty Gems), and Rick Orcutt (The Guts).

Also featured are sweet and sassy background/harmony vocals from Kim Shattuck (The Muffs, The Pandoras), Palmyra Delran, and Line Cecilie Dahlmann (The Dahlmanns), Sticky Fingers/Exile On Main Street-style horns, and many other surprises.

From the album-opening screamer "What The Hell Did I Do" (Did I hit a parked car, did I do something worse, The weekend was a blur, I might have driven home in reverse, Oh, no) to the Stonesy slide guitar-driven rocker "I'm So Bad" (My Tele stings like a silver dagger, Got the rhythm and I got the swagger, I drink a lot more booze than Keith, But I never slur, and I never stagger) to the drivin' 12-bar blues album closer, "Business To Tend To", and including British Invasion-influenced power-pop gems and much more, Thrills & Chills surprises and delights on every track, spin after spin.
