Blackbear is a Los Angeles based singer and songwriter. He's collaborated and written with Justin Bieber, G-Eazy, Pharrell Williams, Mike Posner, Childish Gambino and more. As a solo artist he's the largest independent artist on Soundcloud. In 2015 he released the "Deadroses" LP featuring the hit single "idfc".

The album has scanned over 16,000 digital albums in the US charting at #2 overall on iTunes. The Single "idfc" has sold over 90,000 singles and played over 22 million times on Spotify. This is the first time this album has re-released in physical form.
