The debut official studio album from Lil Debbie is here. Debbie best known as being part of the now-defunct group The White Girl Mob, with rappers Kreayshawn and V-Nasty. She's now on her own and following up the sales success of previous mixtape release "California Sweetheart" which sold several thousand copies in the U.S. alone. She has over 412,000 followers on Instagram and 215,000 on Twitter.

The new album "Debbie" has been previewed across all Hip Hop & Cultural press including Complex, HotnewHipHop, High Times and more.
