The duo of Atlanta-via-Michigan emcee Willie The Kid and Harlem based producer VDon have been frequent collaborators for some time now, releasing a number of records together including “Friends & Money”, “The Food”, “Marina”, “Seafoam”, “Standtall”.

VDon & Willie The Kid decided to join forces once again and went back to the lab to bring you *Deutsche Marks*, their first joint full-length project. With features from rappers **Smoke Dza**, **Meyhem Lauren** & **Roc Marciano**, this ten (10) track LP from Willie The Kid & VDon is classic Hip-Hop from start to finish.

Willie notably appeared on both **DJ Drama** albums *Gangsta Grillz: The Album* and *Gangsta Grillz: The Album (Vol. 2)* as well as **Lil Wayne's** *Dedication 2* and *Dedication 3* mixtapes. He is the younger brother of **Wu-Tang Clan** affiliate **La the Darkman**. He released his debut album, *Absolute Greatness*, in September 2008, and has steadily dropped project after project including *The Fly (1, 2 and 3)*, *The Living Daylights* with **Bronze Nazereth**, and *The BrainFly* with **Naledge**.

As the son of a Harlem DJ, VDon was destined to make his mark on music, and has amassed an impressive catalog, including handling production for the likes of **Smoke DZA**, **Vado**, **Trae the Truth**, **Lloyd Banks**, **Styles P**, **Wu Block**, **Jadakiss**, **A\$ap Rocky** and **2 Chainz**.

Following the release of their first single off of *Deutsche Marks*, “24 Hours” featuring **Roc Marciano**, Willie & VDon also released a music video for “Bleacher Report”. [Watch it here.](#)
