## **ALL TRACKS PRODUCED BY: Billy Loman. Additional Production On "Flyer Lansky" & "I'm Wit Cha" By The Arcitype**

Haverhill, Mass' own Ea\$y Money follows up his 2015 debut "The M.O.N.E.Y." with "Flyer Lansky." While his debut featured production from Hip Hop heavyweights like DJ Premier, 9th Wonder and BuckWild, to name a few, Ea\$y teams up with his ST. Squad's own Billy Loman this time around. Sticking to the ST./ShowOff formula, "Flyer Lansky" sticks to the traditional East Coast Hip Hop sound and doesn't disappoint.

Ea\$y also taps some well-respected MCs to join in on the bar-fest. Griselda Records' Conway lends his talents to the grimy "Live By," Termanology, REKS and ST. make it a family affair on the knocking "Run Wild," and fellow Boston newcomers MILLYZ ("Regular Shit"), Prano and Avenue ("Roundtable Discussions") are sure to awaken anyone who thought Boston rappers can't hold their own.

Mark this as another notch in the belt for ST. Da Squad and Ea\$y Money.
