Second album from one of the most popular artists on Berlin's fine Project Mooncircle label!

Late night music from the back seat. 'Are You Anywhere', sophomore album from Tokyo based UK native submerge blends early 90's slow-jams and instrumental hip hop wrapped in smooth DX7 keys hybridized with his own unique sound. 'Are You Anywhere' is the second full length release from submerge on Project: Mooncircle with features from fellow Tokyo based beat maker fitz ambro\$e.

'Are You Anywhere' comes out worldwide on limited green colored vinyl (including download code).

Artwork by Repeat Pattern.
A&R: Gordon Gieseeking & Erik Luebs.
Mastering by Sven Friederichs.
