- B1. Best Of Both Worlds
- B2. Hip-Huggin-Minnie
- B3. Baby I'm So Lonely
- B4. I Only Have Eyes For You
- B5. Soul Power

For the first time re-issued on vinyl Big Crown is proud to present Little Brown Eyed Soul, a Sunny & The Sunliners classic.

When it comes to living legends in the Texas and Latin Music pantheon, few have been at it longer and are more revered by their fans and peers than vocalist, songwriter and bandleader Sunny Ozuna. Born and raised in San Antonio, where he still resides, Sunny became a star right out of high school in the late '50s and hasn't looked back in the six decades since.

After releasing dozens of albums since the mid-1960s (in Spanish and English), Sunny still keeps a busy schedule and loves performing as much as he did as a teenager. His classic 45s regularly change hands for hundreds of dollars among collectors around the world, affirming his timeless appeal.

As a logical next step after Big Crown's excellent (and Sunny-approved) Mr. Brown Eyed Soul compilation from September, the label has started digging into the vaults of Sunny's Key-Loc Records label to unearth some legit soul classics – which are hard to find even in San Antonio, and clean originals will cost you a pretty penny if you ever luck into one. The album has been remastered and includes original album art.

The band is tight, the sound is honest, the vocals are dusky and deep, and the album is an undeniable soul and Texas music classic, ready to be discovered by a whole new generation of music fans. Dive in and be ready for a permasmile, thanks to that patented Sunny sound.

FORMAT: LP
