The album *We Want A Piece Of The Pie* is the product of a joint effort between Los Angeles songwriter/producer Anthony Browne and the Woolfolk Brothers of Oklahoma, with their seven-piece funk band, Septimus. The two parties sent tape reels back and forth to each other in the mail to assemble this masterpiece of buoyant and spiritual R&B... and 36 years later, those tapes have found their way into the hands of Cultures of Soul Records!

Remastered from the original tapes, this new edition of *We Want A Piece Of The Pie* presents the legendarily rare LP to a broad market for the first time, radiating all its sunny optimism and infectious dance grooves.
