

REKS & SHORIFYUZ ORDER IN CHAOS

Order in Chaos is the highly anticipated collaborative effort from Lawrence, Massachusetts emcee / producer duo REKS & ShortFyuz. The 14 track release combines REKS' signature high energy & thought provoking lyricism over gritty, hardcore instrumentals from up and coming producer ShortFyuz, who has worked extensively with fellow Lawtown vet Termanology ('GOYA', 'LostsoL 96'). This fusion of sound permeates with a distinctive methodology all their own. With Order in Chaos we have a hip hop record oozing underground aesthetics sure to please avid listeners while drawing in new fans with a unique soundbed.
