Kitty Kat Fan Club was started by Mike Park in his hometown of San Jose, Ca.. The idea was simply to put together a band of local friends whom could get together a few times a month, write songs and have fun hanging out. The realization for Park was that he had not been in a band with members from the same town since his days in Skankin' Pickle (1989-1996).

This aspect of being in a band that would be able to hang together outside of music was sorely missed and thus Kitty Kat Fan Club was born. The band plays a simple indie/twee sound influenced by bands like Cub, Belle and Sebastian, The Pastels, Alvways, and feature dual lead vocals/harmonies by Brianda Goyos and Catherine Jones.

After releasing two 7 inches, the band is proud to unveil their debut full length *Dreamy Little You* out May 31st through Asian Man Records.

Along with Park (Guitar), the band features:

Mike Huguenor (Jeff Rosenstock Band/Hard Girls) (Keys/Guitar) • Brianda Goyos (Just Friends) (Vocals)
Jon McMaster (Stickup Kid) (Bass) • Catherine Jones (Vocals) Sim Castro (Guitar) • Justin Amans (Drums)
