DESCRIPTION

15 song compilation LP in 2-sided hand silkscreened jacket. Five tracks previously unreleased.

Fifteen track compilation collecting rare 1970's singles and previously unreleased tracks. With this LP we continue to mine the output of producer Carl "Stereo" Fletcher and his UPRISING and STEREO BEAT labels. A nice collection of mellow roots reggae, this album features singers, deejays and instrumentals. With classics like Little Roy's "Christopher Columbus" alongside five previously unreleased tracks, all roots fans should find something to love here. Housed in two sided hand silkscreened jacket.
