Long Beach legend Kxng Crooked takes a break from his consistently dope "Weeklys" series to serve up listeners a slab of hardcore hip-hop fashioned with lauded Wu-Tang clan affiliate Bronze Nazareth. It's East meets West in a collision of sound. And plenty of Crooked and Bronze's homies come along for the ride, including Snoop Dogg, RZA, Ghostface Killah, Planet Asia, Ras Kass, and many more.

Kxng Crooked aka Crooked I is best known as a former member of the hip hop supergroup Slaughterhouse with other members Joe Budden, Joell Ortiz and Royce da 5'9". Bronze Nazareth is from Grand Rapids, Michigan, and is a hip hop music producer and emcee associated with the Wu-Tang Clan. He has a solo career as an emcee and is also a part of the hip-hop group Wisemen along with his brother Kevlaar 7.
