

THE HOMELESS GOSPEL CHOIR

THIS LAND IS YOUR LANDFILL

The Homeless Gospel Choir, the musical moniker of songwriter Derek Zanetti, has just announced a brand new full-length, *This Land Is Your Landfill*, from A-F Records. Since 2009 the Pittsburgh, PA-based project has mostly been a solo affair, rooted in Zanetti's blend of singer/songwriter intimacy and punk rock delivery, but the release of *This Land Is Your Landfill* marks a reinvention for The Homeless Gospel Choir. Driven by personal upheaval, Zanetti gathered an all-star cast of punk collaborators to create the kind of ruckus, full-band album that he'd always dreamed of including Matt Miller (Endless Mike and The Beagle Club), Maura Weaver (Mixtapes, Ogikubo Station), Megan Schroer (Boys, Kitty Kat Fan Club), Craig Luckman (Small Pollen, Belly Boys), Rick Steff (Lucero), Steve Sobosli (Punchline), and Billy Kottage (The Interrupters, Reel Big Fish).
