The wait is over, Willie The Kid's insta-classic ***Capital Gains*** is now available on vinyl and CD. The Atlanta-via-Grand Rapids emcee's most recent solo release, dropping digitally in October 2020, is a mafioso hip-hop opera that celebrates financial success, his and the success of those around him. ***Capital Gains*** boasts impressive features in the form of **Action Bronson**, **Curren\$y**, **Roc Marciano** and frequent collaborator **Eto**. These guest verses make the album an illustrious listen, with the underground legends lending charisma and oomph. With production by legends the **Alchemist** and **DJ Muggs**, and rising stars **V Don** and **Evidence**, ***Capital Gains*** showcases Willie's versatility on the mic, as he spits over jazzy loops, upright bass, soul and vocal jazz samples.
