IceRocks hails from New York and has built a strong following producing for top artists throughout the underground hip hop scene. In 2013, Ice collaborated with Meyhem Lauren to produce *Raw Cashmere* and just two years later, *More Cashmere*. These two projects became staples of the New York hip hop scene, receiving overwhelming support. In addition to his production for other artists, Ice has also built a steady catalogue of solo work including *Live from the Bunk*, *Bunker Beats*, *Bunker Beats 2*, among others. IceRocks' latest album *Crossing the Rubicon* was released digitally in March, 2021 and received critical acclaim. The new 8-track album is fully produced by IceRocks with features from Benny The Butcher, Meyhem Lauren, ElCamino, Rick Hyde, Flee Lord, Heem, Madhattan, UFO Fev, Rome Streetz, Skrewtape and Ren Thomas.
