**Get On Down Presents : "Enter The Wu-Tang (36 Chambers)" complete album on 7 inch for the first time ever housed in a deluxe casebook created in full collaboration with The RZA.**

- The group's classic (November) 1993 debut album is presented as a set of six 7-Inch vinyl records

- The unique hardcover "Casebook," holds six 7-inches as book pages, along with an in-depth liner notes book (see below)

- Casebook features a 56-page book (aka The Shaolinology), with new RZA input / interviews, extensive research by journalist Chris Faraone, album lyrics, rarely-seen photos and other rare images from the Enter The Wu-Tang era

This absolutely unique, deluxe edition of this classic album – which has been created in full collaboration with The RZA – is presented as a "Casebook" hardcover book, which houses the album's 12 full songs that are divided into six 7-Inches. And beyond the 56-page liner notes, six additional pages have a Wu-Tang logo picture sleeve in which to put the vinyl.

Besides the vinyl, the centerpiece of the Casebook is a 56-page Shaolinology book, featuring input by RZA, written by journalist Chris Faraone. Beyond many never-before-discussed Wu-Tang nuggets, the book also includes rare photos of the group, lyrics for all album songs, as well as other images and advertisements from the Enter The Wu-Tang era.

For the Wu-Tang Clan fan – this is a trophy to be proudly displayed to celebrate the influence of one of music's most influential groups.
