

NO TRIGGER

ACID LORD EP

01. Acid Lord™
02. Antifantasy
03. Brainwashed
04. Guillotine
05. Acceptance Speech

No Trigger is back and the *Acid Lord EP* is their ripping salute to Antifascism, recreational drugs, and good old-fashioned hatin' on god. This 5-song teaser EP is just a taste of what's to come from their forthcoming full length, *Dr. Album*, out later this year. Consider it the tailgate party before the Super Bowl of punk. The handbill you got from that weirdo outside the weed shop that recruited you for the riots. The, uhhh, microdose before you hike up the Swiss Alps. It's melodic hardcore with bits of ska-punk and anthemic rock. The perfect combo of music meets message.
