He made remixes matter more than the original songs. He introduced dramatic, forceful horns to rap's sonic discussion. It almost goes without saying that Pete Rock is among the greatest hip-hop producers of all time, and Soul Brother #1 is still crafting timeless music.

Now back on vinyl for the first time in years, Pete's acclaimed album *NY's Finest* features an impressive lineup of vocalists, including Wu-Tang emcees Raekwon and Masta Killa, Jim Jones, Little Brother, Styles P, Redman, Max B, Papoose, and more. Entirely produced by Pete Rock, the album is a modern masterpiece from a legendary artist. This repress also includes the bonus track "It's So G" featuring Roc Marciano, a lost treasure from the *NY's Finest* sessions that wasn't on the original tracklist.
